

ABOUT UNIVERSITY

Founded in 1918, Tambov State University is renowned as a bearer of rich academic traditions and ranks among major universities of Central Russia.

Tambov State University offers classical education and trains professionals in various fields ranging from medicine to design.

The more popular specialties including General Medicine and Dentistry are available for instruction in Russian, English and French.

Graduates of Tambov State University receive the internationally recognized 'Diploma of Higher Education' bearing the details of the degree or qualification awarded, along with the specialization. Optionally, a graduate may also receive an additional Diploma Supplement recognized abroad, making it possible for graduates to continue their studies or secure employment in any foreign country.
