

## ABOUT UNIVERSITY

The University of Latvia consistently retains the position of the national, leading and most influential higher education institution in Latvia. In terms of the total number of students, the University of Latvia is also the largest university in the country. It is the largest comprehensive university in Latvia with a prominent standing both in the development of the entire education system and in the overall growth of the country's economy.

UL is a modern centre of academic and professional studies, which, along with research in natural sciences, humanities, social sciences, technical sciences and medicine provides opportunities to acquire various types and levels of higher education to the residents of Latvia and other countries.
